

# UtahBoost Moving – Terms & Conditions

## Simple Rules Before We Move Your Stuff

Welcome to UtahBoost Moving. These are the rules for using our moving services. By booking us, you agree to these rules.

### 1. Prices & Estimates (What You Pay)

We may give you a price estimate before the move. This is not final. The real price may change based on time and work done.

### 2. How We Charge

Local moves are charged hourly. Long-distance moves may have a fixed price. Payment is due right after the move is finished.

### 3. Moving Time & Arrival

We give you a time window, not an exact time. Movers may be late due to traffic, weather, or previous jobs.

### 4. Your Responsibility

Pack your items if needed, inform about heavy items, and ensure easy access for movers. Delays may cause extra charges.

### 5. Extra Charges

Extra fees may apply for heavy items, stairs, long distance carrying, or waiting time.

### 6. Damage & Safety

We handle items carefully but are not responsible for self-packed, fragile, or already damaged items. Report issues within 48 hours.

### 7. Claims

Submit claims within 48 hours with photos and details. Late claims may not be accepted.

## **8. Items We Do NOT Move**

We do not move dangerous, illegal, or perishable items unless agreed.

## **9. Cancel or Change Booking**

You can cancel or reschedule early. Last-minute cancellations may have a fee.

## **10. Our Responsibility Limit**

We are only responsible up to the amount paid. Not responsible for indirect losses or delays.

## **11. Changes to These Rules**

We may update these Terms anytime. Continued use means acceptance.
